RE: Professional Standards End of the Year Report

The Professional Standards Committee's primary goal was to attract applications and grant leaves to faculty members who wanted to make important contributions to the college through research and creative activities. This year, we organized a sub-committee to develop a rubric to evaluate Final Sabbatical Reports. We carry forward 1 Type A and a .792 FTE Type B Leave for Fall 2018.

I am pleased to say the committee awarded the following leaves for 2017/2018:

Fall 2017

Type A **Maureen Moore**, *17th Century Dutch Masters at the Crocker Art Museum*

Type B **Emily Bond**, *Implementing and Assessing Information Literacy Instruction in Canvas, 20%*

Julie Oliver, *Completion of the @ONE Online Teaching Certificate Program and Development on the New Online Biology Course and Supplemental Materials for Online Enhanced Biology Course, 40%*

Spring 2018

Type A **Cesar Plasencia**, *Professional Development and Growth in the field of Coaching and Physical Education.*

The Committee elected Kathryn Mayo and Anastasia Panagakos as co-chairs for next year.

Respectfully submitted,

Patty Felkner
Chair, Professional Standards Committee
